Dear Mr. Donor,

Bella was only a three month old puppy when she was found abandoned, hungry, and shivering on the freezing winter streets of Toronto. She had nowhere to turn. Thanks to people like you, she finally found the warmth, care and love she desperately needed. Today, Bella is thriving in her forever home, but many are still waiting for their second chance.

In the first few months of 2024, we helped over 8,000 animals. Some were scared strays. Others were pets whose families couldn't take care of them anymore. Every day, we see how much these animals need a safe space and gentle care. We also see how much even a little support from people like you can make a huge difference in their lives.

At the Toronto Humane Society, our goal is to provide care for animals just like Bella, animals who arrive scared, hungry or in urgent need of medical attention. Our services range from providing a safe shelter for abandoned and neglected animals to offering food and supplies to help families in need care for their pets, as well as promoting animal welfare education.

As Lucas Solowey, Manager of Public Relations at Toronto Humane Society, explains:

"Every donation makes a direct impact. It helps provide pet food, supporting our Urgent Care program for those pets whose families are facing temporary hardship or crisis, and safe shelter for animals who need it most. It's because of compassionate community support that we can continue to protect animals and help them on their journey towards a loving new home."

With your help, no matter the size, you'll be helping provide food, medical care, a safe shelter, and support for animals in our foster care program. Together, we can ensure animals like Bella receive the care, comfort and second chance they deserve. Every day counts. Please donate now at torontohumanesociety.com/donate to ensure no animal has to wait another night without care. Your generosity can make a difference for animals waiting for new beginnings. We couldn't do it without you.

From all of us at the Toronto Humane Society, and the animals whose lives you've touched, thank you for your kindness and support.

With gratitude,

Rochelle Kapangyarihan
